

# Wednesday Night Ride Annual Report

- The average attendance for the Wednesday Night Ride was 11.5 riders per ride for a total of 18 rides.
- 13 different volunteers led rides during the summer.
- The low attendance on June 19 was due to rain.
- A total of three non-members took part in the Wednesday Night Ride (after completing the waiver).

One incident occurred on May 29 when a guest (non-member) answered a call on his cell phone while going down a ramp. The person suffered skinned knees and a torn shirt. The guest got home riding on his bicycle.

The ride leaders cooperated well with the circulation of the ride leader package. The coordinator used two different packages that was shared among the leaders. No complaints were voiced in this regard.

The coordinator received multiple positive reviews regarding the weekly email containing all activities planned for each week.
